- Conclusion

## ACCESS ROUTES TO UNIVERSITY STUDY

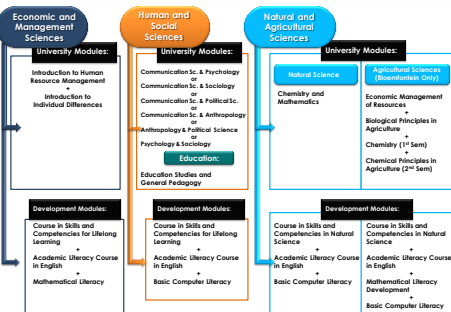

## BACKGROUND OF THE UPP

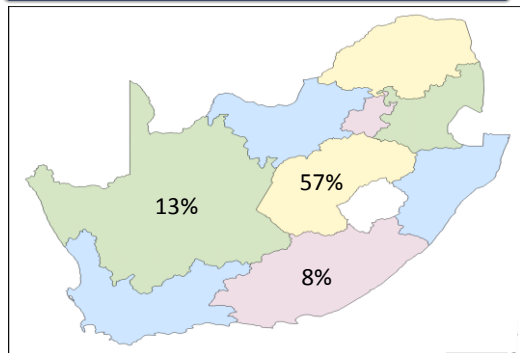

- University Preparation Programme (UPP) was established in 1993.
- UPP provides students with opportunity to study at a higher education.
- Majority of the student population are predominately from rural schools.
- Focus on high school transition through developmental modules.
- UPP students are tracked from registration until graduation or dropout.
- Students move into the Extended Programme upon completion.
- It takes a minimum of five years complete an undergraduate degree.
- Students progress into different faculty pathways.

## UPP FACULTY DISTRIBUTION

## WHERE DO UPP STUDENTS COME FROM?

# UPP FACULTY PATHWAYS

## UPP ENROLMENT OVERVIEW (2007 - 2011) COHORT

ENROLMENT YEAR	ENROLMENTS PER FACULTY (N)				DROPOUT (%)	TOTAL UNDERGRADUATE GRADUATES
	EMS	HUM	NAS	TOTAL ENROLMENTS		
2007	298	394	128	820	73%	191
2008	286	436	115	837	76%	179
2009	259	546	98	903	64%	240
2010	390	836	163	1389	62%	345
2011	288	674	156	1118	46%	312
2012	55	680	94	829	38%	
2013	151	596	184	931	39%	
2014	121	685	94	900	28%	
2015	145	646	170	961	21%

## CONCLUSION

- UPP provides access to students with low APS, students who historically did not qualify to study at a higher education institution.
- UPP has seen increased enrolment numbers in the last 25 years. E.g. from student enrolment of 73 in 1993 to 1118 in 2011.
- Different factors have decrease the dropout rate in the UPP.
- UPP provides the opportunity for students to further to continue their studies.
- UPP provides access to the job market.
