NELSON MANDELA

UNIVERSITY

SI NATIONAL OFFICE FOR SOUTHERN AFRICA

in collaboration with

SIYAPHUMELELA

ONLINE SI ADVANCED SUPERVISOR TRAINING PROGRAMME

Training requirements

- All four sessions are compulsory to receive the SI Advanced Supervisor Training Certificate.
- Technology requirements: Internet, Laptop/Desktop PC (not phone- some activities do not work on smartphones), MS Teams, Google Chrome
- Delegates will be required to share the experience they gained by coordinating an SI programme throughout the training to enrich the discussion.
- Delegates must have completed SI Supervisor Training and have at least one year of experience coordinating an SI programme. NB: No SI Supervisor Training material will be presented – training is offered with the expectation that all delegates have a competent understanding of SI based on prior training and SI coordination experience.
