15:20:37 From Pieter Smit : Fort Hare is present as well :-)

15:20:49 From Ashton Maherry : Welcome Fort Hare!

15:20:56 From William F. L. Moses : Glad to have you!

15:26:05 From William F. L. Moses : Thank you Whitty, Di and the DHET Team!

15:28:23 From William F. L. Moses : We so value DHET's leadership and support for student success

15:28:30 From Jenny Glennie : Welcome UFH - I am so sorry to have missed you in running my eye over the list

15:28:31 From William F. L. Moses : Thank You!

15:31:22 From Samuel to All panelists : Great to hear the network is expanding and becoming systemic! Also that ATD remains engaged. Hi Bill. Back in the US for now.

15:33:04 From Puleng Motshoane : Hi Fatima, will the recording be shared later?

15:34:40 From Fatima Rahiman to Puleng Motshoane and all panelists : Yes Puleng. This can be made available Im sure as we are recording this.

15:36:15 From Britta Zawada : Excellent, thank you, Whitty!

15:36:40 From Diane Grayson : Whitty, are there any national level plans to improve internet connectivity in remote areas?

15:36:40 From longe seun to All panelists : Thank you

15:38:38 From Ashton Maherry to All panelists : hi Alan, please can you add our DVC T&L Nokutula Sibiya as a panelist to handle any questions at the end. She has joined

15:39:30 From Fatima Rahiman to Ashton Maherry(Privately) : Thanks Ashton. We've done this

15:40:07 From Ashton Maherry to Fatima Rahiman(Privately) : Thank you :)

15:40:28 From Britta Zawada : Love the DUT focus on this middle group who is often left to stumble along on their own

15:44:30 From Rosaline Govender : Well done Team DUT 🌐

15:44:38 From Livingstone Makondo to All panelists : Thanks to DUT team presentation

15:44:54 From Jan Lyddon : Outstanding presentation from DUT!

15:44:55 From Britta Zawada : Excellent video DUT! Thanks you.

15:44:56 From William F. L. Moses : Thanks DUT! Great to hear you discuss Holistic Student Supports!

15:45:01 From Eldridge van der Westhuizen : Awesome Work DUT :-)

15:45:06 From Laetitia Permall : Brilliant work DUT 🔄

15:45:43 From Nokuthula Sibiya to All panelists : Thumbs up to the DUT Team!

15:47:02 From Delysia Timm : wow DUT presentation was informative exciting and shows great team effort

15:50:02 From William F. L. Moses : NMU, great to hear about the "Know Your Data" webinars, lessons learned from RADAR early warning system, and the use of OER as a way to make materials more accessible and affordable for students! Thanks!

15:50:55 From Mohau Ben Manyrela : Can we just have 2 min break as we don't want to lose out

15:52:25 From Nokuthula Sibiya : Thank you Charles for the presentation. Looking forward to hear more about RADAR

15:52:50 From Anil Kanjee : Interesting work Charles

15:53:57 From Elizabeth Sipiwe Ndofirepi to All panelists : Thanks Charles I am interested in Small Group Approach - will get in touch

15:54:06 From Jenny Glennie : We'll be organizing a workstream on tracking systems in the next months, involving at least NMU, DUT and UKZN

15:55:19 From Britta Zawada : Data-driven decision making to support student success 100% in line with the Institutional Audit Framework approved by the HEQC, which is also evidence-based

15:59:00 From William F. L. Moses : Thanks Riashna! So glad to have UCT in the Siyaphumelela network! Excited to see your contributions in Diagnostic tools for wrap-around support, Design Thinking tools that put students at the centre, and recommendations for improving career services!

15:59:37 From Britta Zawada : Thank you Riashna. Very interested in the 'design and innovation mindset in HE'

16:01:12 From Jenny Glennie : Britta - see you are now at CHE! Great news.

16:01:54 From Rosaline Govender : Thanks Riashna , I love the idea of the Design Thinking Tools with the student at the Centre

16:03:07 From Jan Lyddon to All panelists : Thank you Riashna! I'm intrigued also by the advancement of advocacy for data analytics usage. Great presentation!

16:03:46 From Alan to All panelists : Philip Glass metamorphosis ii

16:04:00 From Samuel to All panelists : Hi Francois. Hope to visit FS when we return to Hout Bay.

16:04:18 From Francois Strydom to All panelists : You are most welcome, Samuel

16:04:19 From Britta Zawada : Yes, Jennie. Enjoying the CHE very much too.

16:05:38 From William F. L. Moses to Samuel and all panelists : Sam, are you in SC? Or in Indy?

16:11:24 From Rosaline Govender : The tracking system for students engagement on online platforms during Covid19 is a great initiative

16:11:27 From Whitfield Green to All panelists : Great...

16:13:52 From Rosaline Govender : Thanks team UFS for sharing resources and developing the various surveys which has greatly contributed to student success

16:14:51 From Clever Ndebele : Looking forward to being part of the academic advsing network Francois

16:15:18 From Jenny Glennie : Lovely Quote, Francois

16:15:34 From William F. L. Moses : Francois, inspirational work! So glad to hear you talking about "Thinking at Scale" for student success.

16:16:20 From Britta Zawada : Thank you, Francois, great work at UFS and for the network

16:16:36 From Francois Strydom to All panelists : Thank you, Bill. Would not have been possible without your leadership and support

16:16:44 From Jan Lyddon : Thinking - and acting - at scale at UFS is impressive and a good example!

16:16:53 From William F. L. Moses : Excited to hear about Tsheketsa tracking, data analytics, advising and technology, and student success infrastructure. It's making a tremendous difference, not just at UFS, but across the country!

16:17:49 From William F. L. Moses : Good to see you Ranhir!

16:17:57 From William F. L. Moses : Randhir!

16:19:52 From Francois Strydom to All panelists : Thank you, Jan

16:20:09 From Jenny Glennie : Like the non exclusionary focus of Auto Scholar

16:22:57 From Diane Grayson : We are very excited about starting to work with AutoScholar

16:23:05 From Jan Lyddon to All panelists : Amazing information about the curriculum design work at UKZN.

16:23:19 From Robert Balfour : Good to see the work done at UKZN Rubby- I'd like to learn more.

16:23:22 From Jenny Glennie : Wow Randhir, that was impreesive

16:23:33 From Laetitia Permall to All panelists : Colleagues, thank you all for the ground-breaking initiatives 🌟

16:24:37 From Randhir Rawatlal to All panelists : looking forward to AutoScholar learning systems thinking Dianne!

16:25:01 From Randhir Rawatlal to All panelists : Thanks Jennie - COVID-19 challenges our video-editing-acting skills..!

16:25:12 From William F. L. Moses : Rubby and Randhir @UKZN. Thanks for joining the Siyaphumelela network and introducing AutoScholar to the network! Excited to see its use in data

collection, analysis, student advising and curriculum design. Cool to see ways to enhance online teaching during the Pandemic!

16:25:56 From Randhir Rawatlal to All panelists : Thanks Bill - ATD and the work of Kresge has been inspiring to us

16:26:47 From Francois Strydom to All panelists : Excellent work, UKZN!

16:27:07 From Britta Zawada : I like the idea of structuring the introduction and scaffolding of concepts across courses... but I would not call that curriculum transformation (if they are the same concepts that were always there)

16:27:07 From Samuel to All panelists : South Carolina

16:28:10 From Delysia Timm to All panelists : Rubby and Randhir thank you for sharing exciting possibilities with Autoscholar-

16:28:31 From Francois Strydom to All panelists : Thank you for sharing the student walk

16:29:19 From William F. L. Moses : UWC, great example of ways in which design thinking can be used to refine and improve approaches.

16:29:25 From Jenny Glennie to Britta Zawada and all panelists : Do you think we can work on Unisa to join Siyaphumelela?

16:30:26 From Britta Zawada : Jennie, please drop me a line at Zawada.B@che.ac.za. It seems I cannot respond to you alone

16:31:10 From William F. L. Moses : Excited to see UWC's focus on Business Intelligence, Learning Analytics for student support (including mental health), and Curriculum development. It's a great holistic approach.

16:31:54 From Nthabiseng Ogude : Interesting Student Success Framework from UWC

16:32:04 From Jan Lyddon to All panelists : UWC looks like it is organizing its work in a strong way - I especially appreciate the work toward improved data analytics in a business intelligence mode.

16:32:23 From William F. L. Moses : Appreciate your candor and honesty, Mxolisi. Helpful to identify challenges so you can address them

16:35:59 From Britta Zawada : Ethics around data analytics is important, thank you, Prof Masango. How do we avoid the sense of a surveillance culture?

16:36:40 From William F. L. Moses : Mxolisi and Wits, great to hear about your network services on mental health early warning systems, the Wits institutional framework on student success, and enhanced institutional research and data analytics capacity, particularly its ethical use and application to support students.

16:36:58 From Jan Lyddon : Showcasing the importance of addressing student mental health is a strong move. Good job Mxolisi and Wits.

16:37:44 From Britta Zawada : Like the persistence modelling!

16:38:07 From Jenny Glennie : There are also other partners keen on pursuing mental issues so we will be setting up a workstream on this!

16:39:34 From Nthabiseng Ogude : A very critical issue at this time Jenny.

16:39:35 From Britta Zawada : Perhaps also think of framing it positively around resilience?

16:39:49 From William F. L. Moses : We have made some US grants on student mental health services. We'll be happy to share information if you're interested. Just let us know!

16:40:13 From Jenny Glennie : What a wonderful set of presentations! Am so impressed by our partners...

16:40:35 From Diane Grayson : Bill, yes please would you share with us. Thanks.

16:40:44 From William F. L. Moses : Will do!

16:43:06 From Clever Ndebele : We will really appreciate it if all the presentations are shared with us

16:43:11 From Jenny Glennie : Looking at a recent survey on Covid in SA, resilience is a trait we have in some abundance.

16:43:46 From Randhir Rawatlal to Clever Ndebele and all panelists : Hi Clever, you can access our video here:

16:43:47 From Randhir Rawatlal to Clever Ndebele and all panelists :  
<https://www.youtube.com/watch?v=rvFNHkhiXfc&feature=youtu.be>

16:44:50 From Francois Strydom to All panelists : Bill and Mxolisi we would really like to participate in mental health research and initiatives

16:45:00 From Clever Ndebele : Thanks Randhir

16:45:40 From Nasima Badsha to All panelists : very proud to have Elizabeth as a couch!

16:45:46 From William F. L. Moses : Will include you in the introductions. It's a new area for us, but glad to connect you.

16:46:23 From William F. L. Moses to Nasima Badsha and all panelists : Nasima, great to see you on the webinar!

16:46:24 From Britta Zawada : Very informative and very exciting, agreed!

16:47:22 From Roshnee Sunder : Good to see some familiar faces

16:48:39 From Puleng Motshoane : I agree, good indeed to see familiar faces sharing insightful ideas.

16:48:53 From Busani Bafana to All panelists : informative and insightful presentations on the power of data in transforming university teaching and learning outcomes. interested to find out how thi

16:49:10 From Gino Fransman : Let us know about your activities with Open Education in SA please, and with OER, and find ours: from us at MandelaUni and the OpenEdInfluencers project. This is so encouraging! Well done, all.

16:49:15 From Nasima Badsha to All panelists : Good to 'see' you Bill. Very encouraging launch. Many thanks to Kresge for your continued commitment to SA higher education.

16:50:07 From Eunice Ivala to All panelists : Which is university of Technology cape Town?

16:50:30 From Elizabeth Sipiwe Ndofirepi to All panelists : Who is the coach for WITS?

16:50:36 From Busani Bafana to All panelists : this project will help universities value add data in raising academic success for students

16:51:25 From Jan Lyddon : Wendy's comment is very helpful...coaches help reflect back to the university what seems to be going well, what might not, and where they might push forward in their improvements.

16:52:03 From Mary Jean Baxen to All panelists : Congratulations on this launch, Colleagues. Exciting and inspiring. I look forward to working and learning with and from you on this journey towards student access and success.

16:52:43 From Mohau Ben Manyarela to All panelists : is the registration to siyaphumelela still open for other universities

16:52:55 From Riashna Sithaldeen to Rosaline Govender and all panelists : The coaching programme has already proved so fruitful to us at UCT, the engagements with Prof Kilfoil is really helping us articulate our vision

16:54:01 From William F. L. Moses : Could we share a list of the coaches and their coached institutions?

16:54:17 From Britta Zawada : The question was not necessarily specifically for Wits. I think we all have to think about this as we use data analytics

16:54:25 From Meneesha Govender to All panelists : Not a question that needs to be answered live... I am covering this launch for University World News. Is there a press release I can look at? Is it possible to receive a copy of the various presentations from this launch?

16:56:26 From Wendy Kilfoil : The Siyaphumelela resources on a data ethics policy are up to date and state of the art.

16:57:19 From William F. L. Moses : Meneesha, please send me an email and I can share with you our press release. My email is wflmoses@kresge.org.

16:57:42 From Riashna Sithaldeen to Rosaline Govender and all panelists : make a pdf

16:57:55 From Randhir Rawatlal : As Diane mentioned, it depends on what the data, and the models one derives from it, is used for. If used to predict failure and hence exclude before giving a student a chance to succeed, it's potentially destructive. If used to put support in place before potential failure, it's more constructive.

16:57:56 From Livingstone Makondo to All panelists : I seem to have missed the name of the coach for DUT?

16:58:13 From Jan Lyddon : I was the coach for DUT in the first round.

16:58:28 From Britta Zawada : Well done, SAIDE (as always!) and Kresge Foundation

16:58:40 From Kudayja Parker to Livingstone Makondo and all panelists : DUT does not have a coach. We are partner.

16:59:47 From Livingstone Makondo to All panelists : Thanks Koo

17:00:15 From Livingstone Makondo to All panelists : I wonder how I missed that

17:00:18 From Salo Moodley to All panelists : Really inspiring efforts. Well done.

17:01:53 From William F. L. Moses : Helpful resource on data analytics from New America Foundation: Promise and Peril of Predictive Analytics in Higher Education.  
<https://www.newamerica.org/education-policy/policy-papers/promise-and-peril-predictive-analytics-higher-education/>

17:01:58 From Subethra Pather to All panelists : Good question Xola

17:02:26 From Ashton Maherry : Building trust with staff is also an ongoing process

17:03:07 From Fatima Rahiman to Meneesha Govender and all panelists : Hi Meneesha. you can visit our website too [siyaphumelela.org.za](http://siyaphumelela.org.za) whether there are articles written about the launch.

17:03:44 From William F. L. Moses : Also, the New America Foundation's Predictive Analytics in Higher Education: Five Guiding Practices for Ethical Use <https://www.newamerica.org/education-policy/reports/predictive-analytics-in-higher-education/>

17:04:14 From William F. L. Moses : Full Disclosure: Both reports were funded by The Kresge Foundation. Ethics are paramount in this work.

17:04:15 From Britta Zawada : Thanks, Francois. I think the idea of persistent ethical behaviour that builds trust over time is important

17:05:22 From Laetitia Permall : The protection of student data is not only relevant for online data use but for the management of all student information by all stakeholders within the institution

17:06:22 From Subethra Pather to All panelists : Xola holds the academic portfolio at UWC's SRC

17:06:24 From Britta Zawada : Thanks, Bill

17:06:53 From Jan Lyddon : Coaches will come virtually for now!

17:07:24 From Elizabeth Booie to Eunice Ivala and all panelists : sent an email to Xena earlier because I didn't know who I should contact.

17:07:43 From Puleng Motshoane : Thanks for sharing your good practice. Student support is key during this time, if only all institutions could take advantage of such initiatives.

17:08:10 From Subethra Pather to All panelists : Thank you all for sharing

17:08:25 From Britta Zawada : Well done, Allan!

17:08:41 From Nthabiseng Ogude : You did well Alan!

17:08:44 From Laetitia Permall : Thanks so much for the commitment and passion by all. I look forward to walking this journey with you.

17:08:45 From Puleng Motshoane : But you did well Alan :)

17:08:57 From Rosheena Jeawon to All panelists : Well done Alan!

17:09:03 From William F. L. Moses : Thank you Alan, Jenny, Fatima, Ephraim and the entire SAIDE team! Thanks, too, to DHET, all of the Siyaphumelela grantees, and to all of the people who attended!

17:09:04 From Jan Lyddon to All panelists : Alan, you were outstanding! Kudos

17:09:10 From Francois Strydom to All panelists : Well done, colleagues!!!

17:09:12 From William F. L. Moses : Thanks, great maiden Webinar!

17:09:14 From Robert Balfour : Thank you Alan and everyone!

17:09:15 From Elizabeth Sipiwe Ndofirepi to All panelists : At Wits, Prof Grayson and her team involve all stakeholders from planning of the initiatives to implementation. Thank you team. As an academic advisor I am benefitting from your initiatives in student success

17:09:17 From Riashna Sithaldeen to Rosaline Govender and all panelists : thank you

17:09:19 From Rosaline Govender : Congratulations on the Siya 2.0 launch 🎉 take care all

17:09:19 From Rosheena Jeawon to All panelists : God bless all and keep safe.

17:09:19 From Delysia Timm : thank you for a great launch!thank you Jan for your presentation

17:09:21 From Eunice Ivala to All panelists : Thank you Alan and team

17:09:21 From Gino Fransman : Ciao almal! Dankie.

17:09:21 From Nthabiseng Ogude : Thank you so much Bill and Jan. Good to "see" you

17:09:22 From Britta Zawada : Bye All!

17:09:22 From pamela dube : Thanks much, well done, looking forward to our work together

17:09:22 From Emily Mthembu to All panelists : Thank you so much Prof Alan:)

17:09:23 From Sboniso Ngcobo to All panelists : Well done Allen and thank you 😊

17:09:23 From Duncan Estrais : Thank you all from Nelson Mandela University

17:09:24 From Nasima Badsha : many thanks

17:09:26 From Thea De Wet to All panelists : Thank you Alan

17:09:27 From Riaan Loots to All panelists : Thank you

17:09:29 From Ashton Maherry : Thank you everyone

17:09:34 From Elizabeth Sipiwe Ndofirepi to All panelists : thank you!

17:09:43 From Sboniso Ngcobo : Well done Allen and thank you 😊

17:09:44 From Busani Bafana : many thanks

17:09:50 From Michael Gordon : Thank you very much. This was very informative.

17:09:54 From Ashton Maherry to All panelists : Remember to stop streaming :)

17:10:05 From Randhir Rawatlal : Thanks Alan, thanks all, goodbye!

17:10:12 From Roshnee Sunder : Thank you for an informative session and the sharing.

17:10:40 From Helen Smith : Thank you for such an informative session, goodbye.
